Beverly Heights, Edmonton, AB

Across the street from a city park and playground, youâ€™ll love this location! Almost everything has been updated in this well-maintained home. Exterior and attic insulation plus new doors were added during a 2024 home energy retrofit. All the windows are vinyl and the main floor has vinyl plank flooring. The eat-in kitchen has newer cabinets, stainless steel appliances including a \$4K deluxe fridge and new Decorastone countertops. Both bedrooms on the main floor are king size! The 4p main bath is updated, including a new jet tub last year. The basement has 2 bedrooms with large windows, a rec room and newer pot lights throughout. The furnace and water tank are only 2 yrs old. The exterior has new vinyl siding, eaves and soffits (2024), shingles (approx. 5 yrs) and new parging. The south facing back yard of this 50 x 120 lot is fully fenced with a patio, awning, and raised veggie gardens. The 21 x 14 single garage was built in 2013. You wonâ€™t find a more affordable move-in-ready home than this gem!
